**YB SENATOR DATO' SRI SHAHRIZAT ABDUL JALIL
MINISTER OF WOMEN, FAMILY AND COMMUNITY
DEVELOPMENT ON
THE NATIONAL ACTION PLAN AGAINST TRAFFICKING IN
PERSONS (2010 – 2015)**

The Ministry of Women, Family and Community Development embraces the National Action Plan against Trafficking in Persons (2010-2015), and is fully committed to its implementation and realization. The Ministry is actively collaborating with the Ministry of Home Affairs to ensure that all stakeholders are brought to the table.

The unfortunate truth is that women and children are at the losing end of indiscriminate and uncurbed trafficking activities and comprise 80 percent and 50 percent of the victims respectively. Hence, the input of these groups is a vital element in bringing about the successful actualisation of the Action Plan.
